CANAL POINT, PALM BEACH COUNTY, FLORIDA, FRIDAY, JANUARY 12, 1940

\$2.00 PER YEAR

#### RECENT OPERATIONS

By Paul Rardin

Roscoe Braddock, song leader of the Belle Glade Rotary b, was a visitor at the weekly meeting of the Pahokee club, was a visitor at the weekly meeting of the Pahokee club yesterday and was guest conductor during the song period. Roscoe, an excellent singer and excelent-leader, just naturally expects a baton when he leads singing. In the absence of a baton yesterday he led the group in three one absence of a baton yesterday he led the group in three songs and kept perfect time with a stalk of Everglade grown celery.

If \$1,000 in cash can be raised in the Glades, four times that amount will be forthcoming for the hospital from West Palm Beach. With \$5,000 the hospital ero on the feet and do great things for the community. An open meeting is scheduled for next Tuesday night in the Paho-kee Woman's club building. This is your invitation to be present. Yes, you'll'be called upon to donate whatever you feel you can spare for a worthy can donate whatever you from the meeting. He important that you be there.

Twe been watching members of the new State Road Patrol, in operation now for about a month. I wanted to see exactly what they were going to do before I commented on their activities. From what I've seen I'll say they are a fine bunch of law enforcement officers—properly trained—efficient in their duty—and a likesale ourfit. H. C. "Red" Martin, Palm Beach county member of the patrol, has had many years experience in police work. He knows how to meet the public and also knows how to get things dope. His friends call him "Red" so I guess I can call him that, too. I saw "Red" in action Sunday at the Palm Beach county airport where there were hundreds of cars. In his calm manner he went about his business of directing traffic. He issued firm orders to motorists but somehow or other he did it in a manner that the drivers seemed to like it. Maybe it was that broad smile of his that made his job easier and the motorists happier.

The annual Red Cross roll call will be inaugurated on Monday morning of next week. There isn't any use stringing the drive out over a red worker and denors make up their mind to do it. The Glades section should give and give heartily to the cause. So, when one of the committeemen approaches you next Monday—don't put him off—his time is valuable and he's taking time off from his work to something for humanity. Give what you're going to on the first call. Don't make 'em come back two or three times.

It is about time now for candidates to start tossing their hats into the political ring for county jobs. Every job in the court house will be filled at the forthcoming election with the exception-of J. Louic Carter's place as clerk of the criminal court of \*ecord. The boys are a little slow in getting away from the barrier this time. Maybe they've forgotten that the primary election date has been moved up to May 7th. The last time these four-year candidates made a race the primary was held in June.
